Extract Political Letter from Bombay.
Dated 24th May 1828.

65. With regard to
the proposed reduction of the
Political Agency at Bussora, as
contemplated by the late Governor,
we have the honor to refer
your Honble Court to a
Minute recorded by our President,
in which, reasons are stated
for considering the present an
unfavorable period for carrying the
measure into effect. We have
consequently determined to postpone
the recal of Major Taylor
from Bussora, until the state
of

"تأجيل إلغاء وكالة البصرة." [٨٤ ظ] (٣٠/٦)

of affairs in that quarter
will admit of its being
done without creating impressions
very unfavorable to our interests.

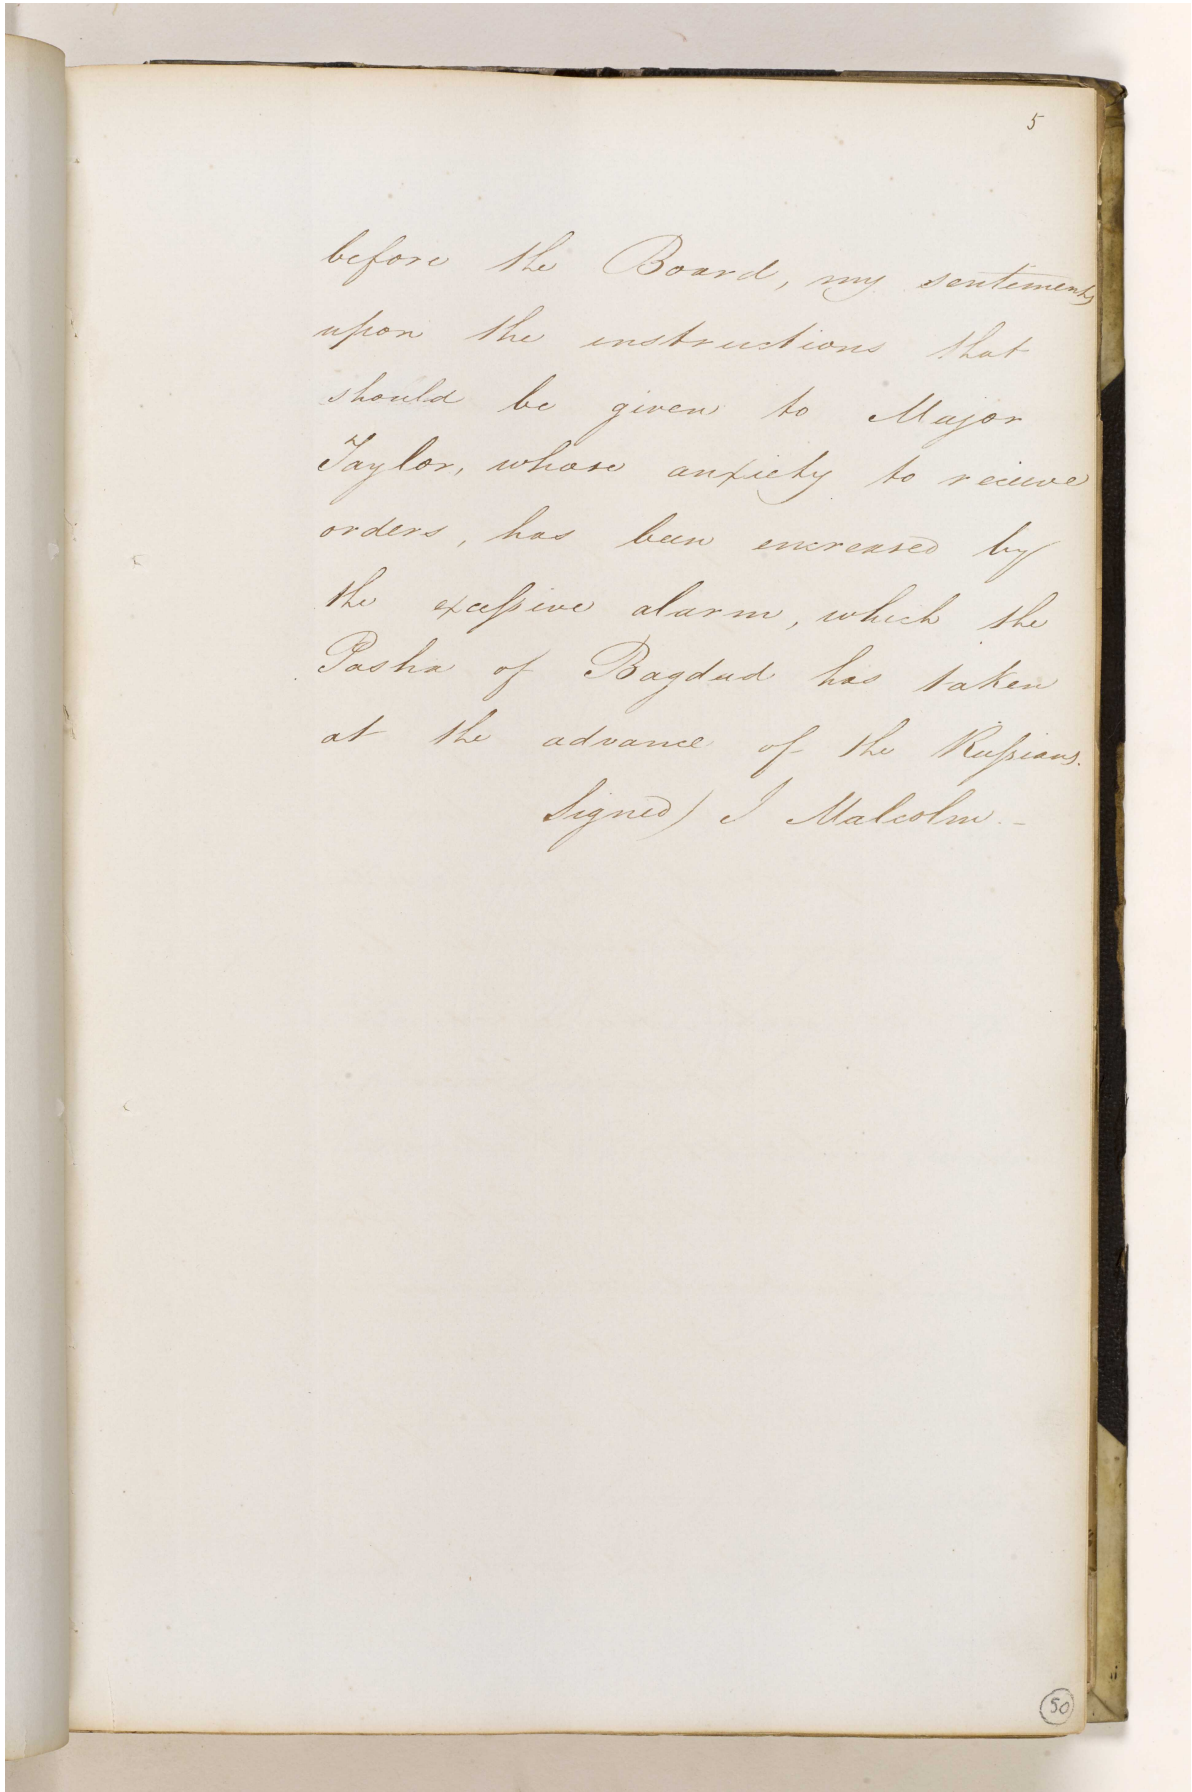

Pension $\frac{1}{2}$ 5000.

Minute by the President not
subscribed to by the Board.

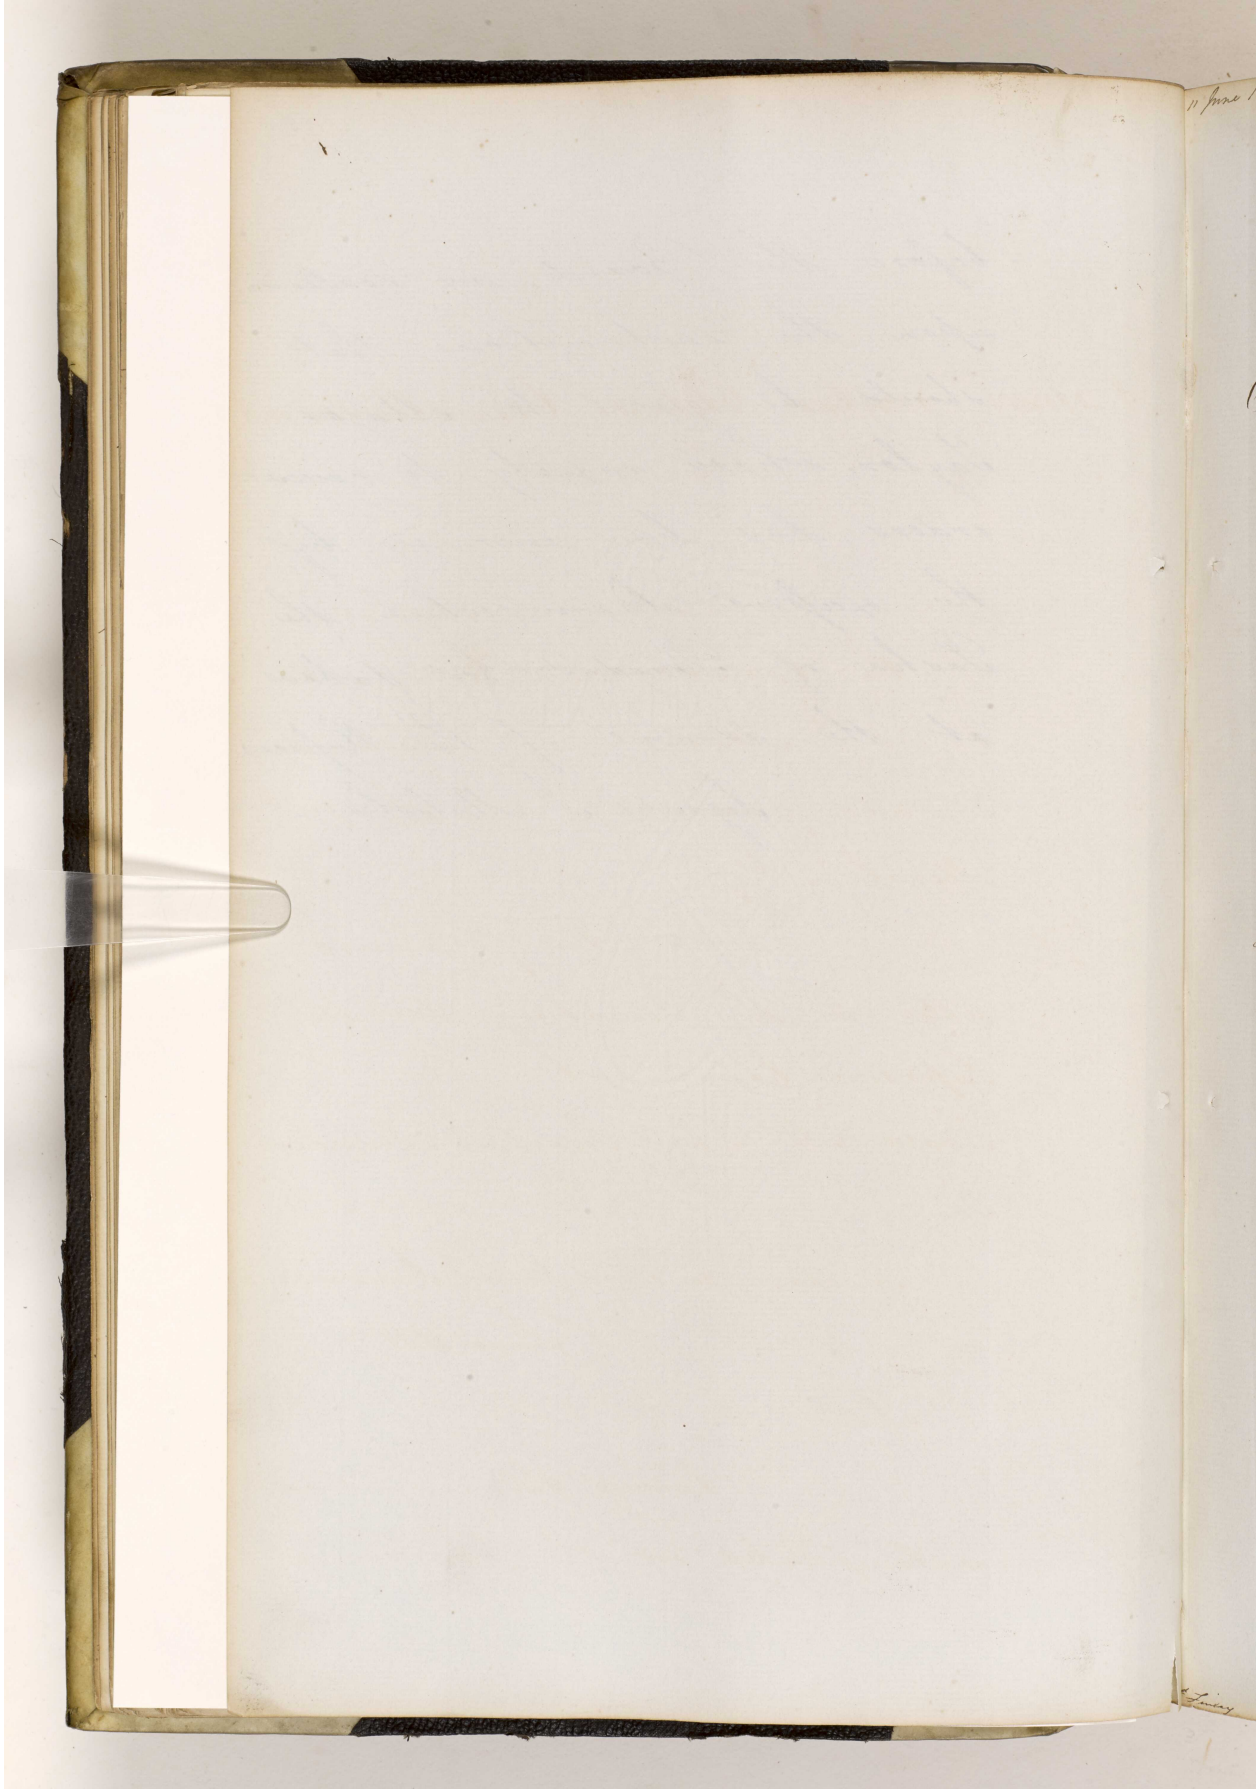

Though I still keep
in view the prospect of
reducing the expense of our
agencies in Persia and Turkey,
by another arrangement for
their duties, I do not think
at the present moment, when
Russia may be said to be
at War with the Porte &
when the Imperial forces
occupy Aderbijan, that we
can recall Major Taylor from
Buporah, without creating impressions
very unfavorable to our
interests in that part of
Asia.

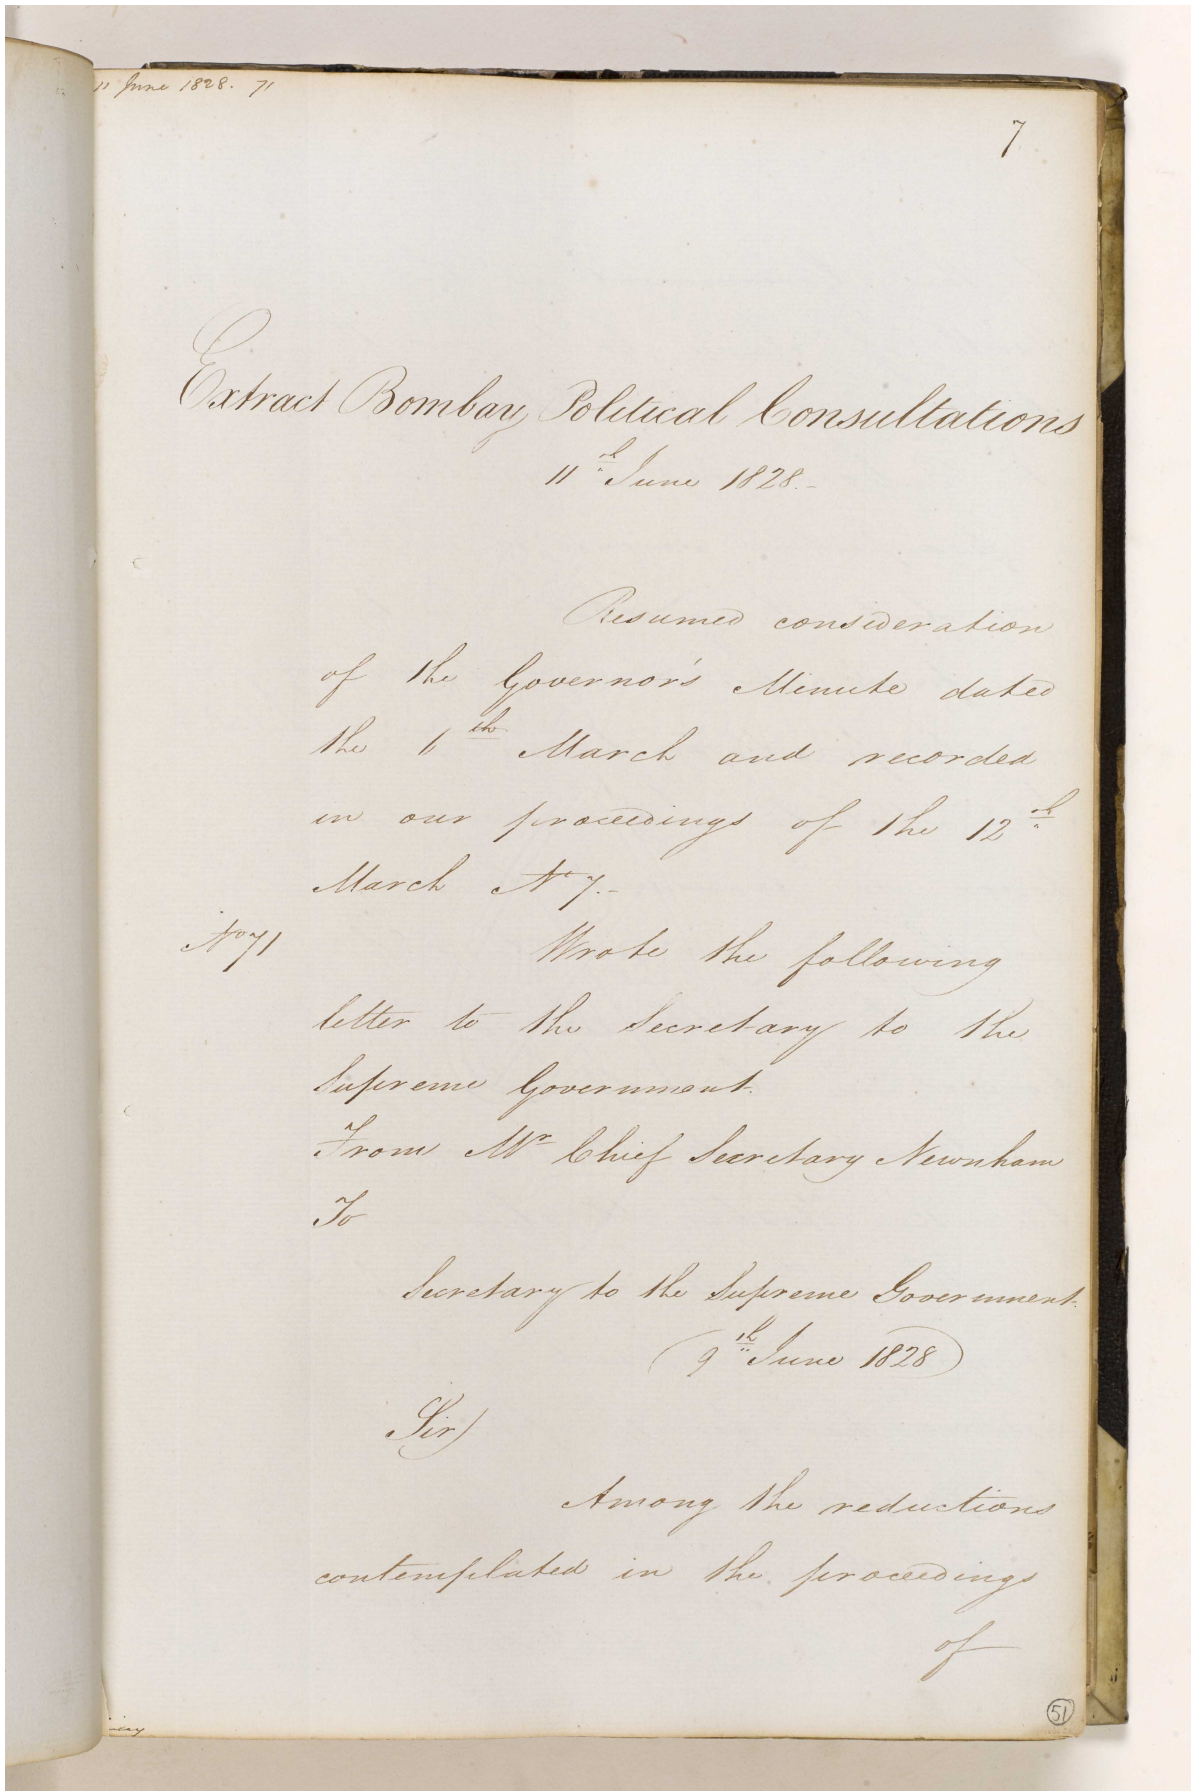

I shall early lay

of this Government in the
Month of June last year, the
abolition of the Political Agency
at Buspora, was calculated as
a prospective saving of Rupees
5000, but the question was left
for final decision, until the
arrival of Major General Sir
John Malcolm. I have now the
honor to transmit to you,
for the purpose of being laid
before the Honble the Governor
General in Council, copy of
a Minute dated 6th, recorded
by the Honble the Governor
on the 12th March last, shewing
the grounds on which this
measure has for the present
been postponed.

(20th April 1829)
Sir,
I have now the
honor to forward an Audit
on the Disbursements from
the 1st of May 1826 to the
30th of April 1827 inclusive, which,
you will be pleased to return
to this Office as soon as
practicable, with such explanations
as

11
as you may have to offer
2 I have purposely
delayed auditing these accounts
in the hope, that before this,
you would have transmitted
to Government, a further and
more satisfactory explanation
for the large sums disbursed
on account of presents in
the last two quarters, amounting
in the aggregate to Rupees
14,187, and to which your particular
attention was called, in a letter
from Government dated 24th
Sept^r 1827, copy of which was
transmitted to this office.
3 The sums disbursed
on account of Packet Charges
in the quarters ending July
and October 1826, appearing

great, and on a comparative
view with charges of a
similar nature for 6 years
prior to these accounts -
exceeding the average considerably,
an explanation for the excess
is desirable. I have also to
notice, the want of receipts
for these charges, those only
for Provision money granted
to Messengers being regularly
forwarded.

Your Cash accounts
have been received at this
Office, up to January last,
but it does not appear that
you have afforded credit for
the check standing against
Mahomed Saleh of Rupees 464
or for the sum of 150 Rs
over

withdrawn as Messrs allowance,
both of which were noticed
to you in my letter to you
under date 21st May last. I
regret extremely that you should
make this omission without
giving some explanation, as it
precludes the possibility of
proving your accounts, the very
backward state of which, I
beg to call your serious attention
to.

you will give immediate attention
to the call made by Mr

requires.
